MONTI-Werkzeuge GmbH from Germany appoints a new distributor for industrial surface preparation products in Italy

MONTI is pleased to announce that it has recently appointed Bruce Systems as the new representative for its surface preparation technologies in Italy.. Bruce Systems will offer expert guidance on instrument selection and configuration, advising customers in Italy on the best Monti Power solution for their particular needs.

Customers in Italy can discuss their requirements with Mr David Marzi, Managing Director of Bruce Systems. With a strong technical background, they have the knowledge and experience to ensure their recommended solution will suit the customer's application.

Drs. Jan Frederik Doddema, CEO of the MONTI Group with other offices in Groningen, Holland, Houston Texas and Manassas, Virginia , said, "We are delighted to be working with Bruce Systems. We have worked with them in the past, to offer combined different solutions, and we are pleased to continue and expand our co-operation."

Bruce Systems knowledge of the market will be invaluable in supporting the power of MONTI solutions to overcome issues with loose abrasive blasting to clients from Offshore to industrial markets.
